

Personal, Social and Emotional Development

This term, we will be learning all about school and how we take turns and share. We will also learn about making new friends and becoming a part of our school family. The children will understand the importance of showing respect in our classroom and to the school environment. In addition, we will create our Class Charter together and learn how rules are important. The children will also learn to recognise their own feelings and those of others

Communication, Language and Literacy

There will be a range of role-play areas in the classroom and in our outdoor area to help develop the children's speech and language, emergent writing and imaginative play.

We will learn how to listen to others and take turns when we are speaking and have plenty of opportunities for paired and group talk as well as whole class discussions.

We will start learning to read and write our letter sounds towards the end of our first month at school.

Mathematical Development

During our mathematical learning, we will practise careful counting and match objects to numerals.

We will have a go at simple addition and subtraction using objects to help us.

We will also explore 2D shapes, learning some of their names.

When measuring, we will be using non-standard units of measurement.

Physical Development

During Finger Fun and Dough Disco, we will be developing our fine motor control and using our outside space, we will develop our gross motor skills.

We will also learn how to be safe during our PE lessons, including listening to instructions carefully and stopping on a signal.

Hedgehog Class

New Beginnings Autumn 2018

Creative Development

We will be experimenting with different media, including play dough, paint, chalk, crayons, collage, junk modelling, and Computing, amongst many others.

We will have lots of opportunities to sing and dance.

Useful websites:

You might find the following websites useful continue your children's learning at home:

www.bbc.co.uk/cbeebies

www.phonicsplay.co.uk

www.booktime.org.uk

Knowledge and Understanding of the World

We will be finding out about our school and the people in it.

Later on in the term, we will move onto various celebrations including Harvest, Bonfire Night, Diwali and Christmas.

In French lessons we will learn greetings, how to say our name and age and how to count.

Our Class Newsletters will keep you informed of our learning focus each week and ways that you can help your child.
