

Accessibility statement

This accessibility statement applies to Warnham CE Primary School's website.

This website is run by Warnham CE Primary School, supported by Flywheel. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- zoom in up to 500% without the text spilling off the screen
- navigate most of the website using a keyboard or speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

We know some parts of this website are not fully accessible, for example

- there is insufficient colour contrast on the headings
- screen reader and other assistive technology users may have difficulty navigating the web pages by heading structure
- empty links may cause confusion for screen readers

We are working towards making improvements to the website to improve the above.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.
